DEPARTMENT HIGHLIGHTS

Marketing and Human Resources: Carla Wheeler, our Marketing Director and Autumn Jackson, our Human Resources Manager have been very busy recruiting for our facility. They recently went to Chrisman High School and told of employment opportunities and the chance for tuition reimbursement. They also explained all of the volunteer opportunities that we have available and the chance to polish their college application. We have opportunities to work with our residents and grounds keeping.

Dietary: Our Dietary Department is actively looking for an evening cook. If you enjoy cooking and are interested, come in and apply today.

Activity Department: Our Activity Department is always busy keeping residents active and smiling! This month we had the musical talents of Logan Kirby and Troy Stone, we are also playing fun games for St. Patrick's Day, and our Ice Cream Shoppe is open every Wednesday followed by residents' choice Bingo. We recently remodeled our chapel with the funds raised for Rose for a Resident to include a table game area, a new reading nook and a brand-new puzzle table. We would like to give a great big THANK YOU, to all of those that purchased roses. We are always looking for volunteers for pastoral care, Bingo, and birthday parties. If you are interested, please contact Amy our Activity Director today to find out more opportunities available.

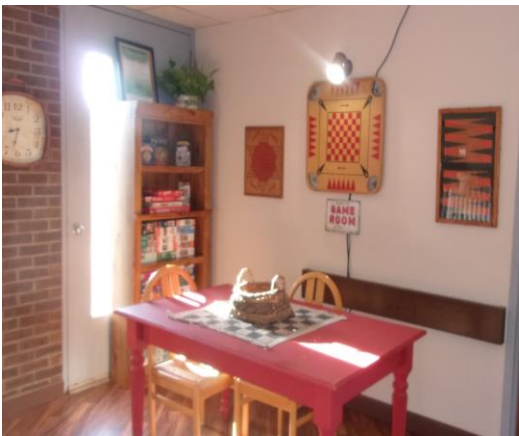

Housekeeping Department: Our Housekeeping Department is actively looking for part-time staff. If you are interested come and apply today.
