EMPLOYEE OF THE MONTH

Tasha grew up in Danville Il. with her parents Tony and Tara and three brothers and one sister. She is currently engaged to Danny Hill and has four children Kit, Desmond, Michael and Harper. Tasha started as a C.N.A at Pleasant Meadows in 2008. She had to take a year leave of absence for complications with her pregnancy in 2014 but was able to return in 2015. She now works as an R.N.A and C.N.A. She states that she most enjoys working with the residents. Her favorite memory is when her oldest child was in the ICU in the hospital the staff was a huge support system for her. She states everyone pulled together for me and my oldest child. When asked what advice she would give future employees she stated that "Teamwork makes the dreamwork"! Pleasant Meadows would like to thank Tasha for her years of dedication, respect and kindness to our residents and her co-workers.
